COOKIE POLICY

Cookies are small text files that are saved to your computer.

This website uses 'session' cookies to anonymously remember users during a visit, and are required to enable certain functionality and visual features within the site.

In addition, cookies may be used for website analytics to help us understand how our site is used, which helps us plan improvements to the site.

If you wish to restrict or block the use of cookies on your computer when you visit this website, you can do this through your browser settings, as well as delete cookies already stored on your computer.

For further information on cookies and how you can control how these are used, you can visit www.allaboutcookies.org
